HEAVY DUTY TOPLOAD WASHER

LWS45

Speed Queen®

OUR STRENGTH COMES FROM WITHIN

COMMERCIAL HOMESTYLE Topload Washer Specifications

COMMERCIAL QUALITY

Built tough to stay that way.

The number one supplier of commercial coin-operated laundry equipment, Speed Queen continues to lead in customer satisfaction. Speed Queen homestyle washers feature many of the same rugged, reliable parts found in the coin-operated machines, so they're built to last.

Commercial Quality Features

- Pull-To-Start multi-cycle timer knob
- Two-speed 1/2 HP motor
- Eight cycles; four temperatures
- Adjustable water level control
- 3.3 cu. ft. capacity stainless steel tub
- Wavy vane agitator with fabric softener dispenser
- 120/60/1-15 amp circuit
- Bleach dispenser

Automatic Balancing Suspension System

Rear self-leveling legs maximizes smooth and quiet operation on all floor types. High speed extracts of 710 rpm maximizes moisture removal for fast drying.

Multi-Cycle and Temperature Controls

Speed Queen offers you user-friendly free-wheeling timer knob for start and cycle selections with energy saver designation.

PolyTuff® Agitator

High vanes and extra large long 210° agitation stroke delivers superior washability for all load sizes.

Extra Large Stainless Steel Tub

Our durable stainless steel washtub becomes smoother with each use so clothes are less likely to snag.

Attractive Control Panel

Commercial homestyle topload washers have attractive styling to match electric or gas dryers.
