

GOLD MEDAL guarantee *Now through December 31st!*

Five-Year Parts Warranty Extended on NetMaster™ and CardMate Plus™ Vended Laundries!

From now until December 31st, 2002, store owners who exclusively install NetMaster™ control laundry equipment and accessories for their store operation can qualify for the Gold Medal Guarantee which includes the following extended warranties and services:

Five-Year Parts Warranty

With Speed Queen, store owners can really *WIN BIG* with the Five-Year Limited Warranty. By purchasing NetMaster™ topload washers, drying tumblers, and washer-extractors *exclusively*, as well as the NetMaster™ Software Accessory Package, store owners can qualify for a Five-Year Limited Warranty. The warranty provides free replacement for any part that fails as a result of defect in material or workman-ship for five years from the date of installation.

FREE NetMaster™ PC Software

The Gold Medal Guarantee also offers store owners the NetMaster™ PC Software FREE with a fully networked store or with the purchase of the NetMaster™ 100 Accessory Kit. This starter kit includes the Micro-Wand III™ with infra-red adapter cup, charger/interface, battery, and transformer. The combination of your Starter Kit, NetMaster™ Software, and equipment allows you to program your equipment effectively to manage your profitability.

A Step Ahead of the Competition

For store owners who want to get a step ahead of their competition with technologically-advanced laundry equipment, look no further. Speed Queen has a full line of NetMaster™ equipment to meet all your laundry needs. With NetMaster™ laundry equipment and software accessories, you can program vend prices, cycle times, rinse options, and daily promotions as well as track sales activity through a user friendly hand-held Micro-Wand III™ or a network and coin laundry PC software. It maximizes store traffic and gives you total control of managing revenue and promotion activity.

Gold Medal Guarantee Certification

Contact your authorized Speed Queen distributor for sales information on NetMaster™ equipment and accessories. When the sales contract has been signed to purchase Speed Queen equipment, an Alliance Laundry Systems representative will be contacted to review store blueprints, inspect the construction site, check equipment installation, and provide an on-site inspection of laundry equipment. When the site has completed the installation and operation checklist to the satisfaction of the store owner, distributor, and Alliance Laundry Systems, the laundry will be officially commissioned in accordance to the Gold Medal Guarantee.

Equipment installation and commission process must be completed by December 31st, 2002 to qualify.

To get a step ahead with Speed Queen's Winning Team, call your authorized Speed Queen distributor.

Offer expires December 31st, 2002.
